PROJECT DESCRIPTION: Work on this project shall be covered by a Single Prime Contract.

- Construction of a new 18" DIP force main, running from a specified connection point along the Miami Boulevard Right-of-way, through the Woodfield Creekstone apartment site and terminating in the Hopson Road right-of-way.
- All work associated with the valves, blow-offs and the future connection of the force main to the Creekstone Lift Station.

Contractors who bid must be licensed to do work in the State of North Carolina under the Act to Regulate the Practice of General Contracting. The Contractor's North Carolina License number shall be designated on the outside of the envelope containing the bid.

As provided by Statute, cash, Bid Bond, or a certified check in the amount of 5% of the bid must be attached to each bid/contract. Payee shall be the "**County of Durham**". Said deposit shall guarantee that the Contract will be entered into by the successful bidder if the award is made.

Such deposit of cash or certified check may be held by the County of Durham until the successful bidder has executed and delivered the Contract documents, including Performance and Payment Bonds, to the County of Durham. Bid deposits submitted in the form of cash, cashier's check or certified check will be deposited in the County's account as required by North Carolina Local Government Budget and Fiscal Control Act (N.C. General Statute Chapter 159, Article 3).

The County reserves the right to reject any and/or all bids, waive informalities, and/or accept such bid as appears in its judgement to be in the best interest of the County.
